Subject: RFP Query for RFP RiverCOG 19-2 New Website-Content Management System Driven.

Hi!

This is with regard to your requirement for RFP RiverCOG 19-2 New Website-Content Management System Driven.

Could you please help me with the following questions:

1. Whether companies from Outside USA can apply for this?
(like, from India or Canada)

RiverCOG's preference is for U.S. based companies and work, but anyone and any company is welcome to submit any proposal and approach you wish.

2. Whether we need to come over there for meetings?

It is not required to come to RiverCOG in person, however if you able to come to an in-person meeting, that should be noted.

3. Can we perform the tasks (related to RFP) outside USA?
(like, from India or Canada)

We have a preference for USA based work, but open to any proposal.

4. Can we submit the proposals via email?

Yes, please submit by email.

FYI, we will share these questions and answers with other potential bidders without your name as the source of the questions.

Thanks,
Sam
