4. LCRVCOG BUSINESS

a. Authorization of Executive Director to Enter Into an Agreement with OPM for FY19 Regional Services Grant

Mr. Gold stated that the COGs were appropriated $4,100,000, but there was a hold back of $500,000. Of this, RiverCOG will receive $281,816, which is about what was included in the budget, therefore there will be no budget amendment. The agreement has not yet been received from OPM, but Mr. Gold is seeking authorization from the board for when it is received.

Mr. Maniscalco moved to authorize Executive Director Sam Gold to enter into an agreement with OPM for FY19 Regional Services Grant. Second by Ms. Iino. Motion passed unanimously. Discussion: Mr. Bishop asked if this is the grant funding that had to be fought out with the other regional COGs and if so, is this money that we will be getting without having to share it with the other COGs. Mr. Gold affirmed that it is this grant, and the way that the holdback occurred (out of the per capita increment rather than the base payment) worked in RiverCOG’s favor.

5. OTHER BUSINESS

a. Authorization of Executive Director to Enter Into an Agreement with DEMHS for 2018 Emergency Management Performance Grant

This is an authorizing resolution for the 2018 Emergency Management Performance Grant that pays for staff time for the RiverCOG to be the fiduciary agent for DEMHS Region 2, which includes 10 RiverCOG towns. RiverCOG draws about $70,000 from the Homeland Security grant program.

Ms. Iino moved to authorize the Executive Director to sign the agreement with DEMHS for the 2018 Emergency Management Performance Grant, which will then be certified by Secretary Noel Bishop. Second by Ms. Milardo. Discussion: Although some of the COG towns are not part of the DEMHS 2 region, the members sit on the board for the region so they are allowed to vote on this item. Ms. Bransfield abstained from voting; the rest of the members voted in favor.

6. ADJOURNMENT
